ACCESSORIES & ATTACHMENTS CATALOG

Altoz quality is defined by superior components working in unison to deliver intuitive and responsive mowers with a professional-grade cut to get even your toughest jobs done with speed and power.

TSX / TRX Deck Kit

HV All-Terrain Deck – Heavy-duty, fabricated, reinforced steel deck with six swing blades and sloped back rear discharge design that efficiently processes material.

Series		p/n
TRX	610 models (61")	2500309
	660 models (66")	2500490
	766 models (66")	
TSX	561 models (61")	2500681

Offset HV All-Terrain Deck – The offset HV All-Terrain Deck is offset 3.5" to the left which allows for better visibility on the trim side for a closer cut underneath and around immobile objects.

Series		p/n
TRX	660 models (66")	2500660
	766 models (66")	

Aero Deck™ Finish Deck – High output cutting and side discharge deck features heat-dissipating spindles and adjustable baffles for a professional cut.

Series		p/n
TRX	610 models (61")	2500311
	660 models (66")	2500491
	766 models (66")	
TSX	561 models (61")	2500682

Deck Wing Extension **NEW**

Perfect for solar fields, under fence lines, shore lines, ditch banks, water retention ponds and anywhere you need to get under or over. Ditch the string trimmers and reduce man hours, gain 25% more coverage than a 66" deck.

Application: Fits all TRX 766 All-Terrain decks with removable side inspection plates.

Series		p/n

All-Terrain		

Spindle Guard Installed

TerraFlex™ TRX 766 Track and Sprocket Kit **NEW**

TerraFlex commercial-grade tracks are forged from molded all-natural vulcanized rubber around continuous steel cables, ensuring unparalleled strength and flexibility for durability in rough terrain. The tread pattern is engineered for traction, stability and a smooth ride in challenging conditions. The interior drive side is engineered for flexibility.

Series		p/n
TRX 766	Kit (Includes 2 tracks and sprockets)	2500777
	TerraFlex Track only	5500107
	Sprocket Set (Set of 2)	2001656

Tracks

Turf Tracks - Less aggressive and better for soft ground, rolling hills and sensitive terrain.

Part number and price shown is for a single track. Two tracks needed for each mower.

Series		p/n
TRX / TSX	354 models	5500037
	561 models	5500039
	766 models	5500040

Turf Tracks

All-Terrain Tracks - Ideal for hills, mud and rough areas other mowers can't reach.

Part number and price shown is for a single track. Two tracks needed for each mower.

Series		p/n
TRX / TSX	354 models	5500054
	561 models	5500055

All-Terrain Tracks

Track Tension Shim Kit

Maintaining the recommended track deflection is imperative to the life and functionality of the track, and to the operation of the transmission. Shim kits include a variety of different shims to achieve the proper deflection.

Series		p/n
TRX	354 model	2500462
TSX / TRX	561 / 610 / 660 / 766 models	2500685

TRX 354 Shim Kit (pn 2500462) shown

Idler Wheel Kit

Center idler wheel kit increases the track's footprint and the down pressure in the middle portion of the track, resulting in reduced turf impact and a smoother overall ride.

Application: For TRX 354 models with an idler wheel carrier that has a hole in the center for a third axle; for models without the hole in the idler wheel carrier, order two (2) Idler Wheel Carriers (p/n 1201055-540) to facilitate the third axle.

Series		p/n
TRX	354 model	2500669

TRX Debris Shield Kit

Rear Debris Shield - This debris shield adds 10" of protection to undercarriage components. Made with thick high density poly material.

Series		p/n
TRX*	610 / 660 / 766 models	2500384

Deck Debris Shield - This debris shield adds 23" of protection to undercarriage components. Made with thick high density poly material.

Series		p/n
TRX*	610 / 660 / 766 models	2500383

Deck Debris Shield with Side Shields - This debris shield adds 34" of protection to undercarriage components and side shields to keep debris from entering track drive. Made with thick high density poly material.

Series		p/n
