

SWITCH

COMPACT TOOL CARRIER AND ATTACHMENTS

ALTOZ®
ALWAYS AHEAD®

OUTDOOR POWER EQUIPMENT

DROP, SWAP & GO

Whatever the task, Altoz Switch attachments connect quickly and easily.

SNOW

The Altoz snow blower attachment is perfect for quickly and efficiently removing snow from sidewalks, driveways, roadways and anywhere else you need to clear, no matter how tough the snow conditions may be.

SWEEP

The 48" angle broom is great for cleaning away dirt, snow or other debris. The easy-to-use angle adjustment feature lets you direct the material away for a clean surface.

MOW

With an Altoz mower attachment, clear trails, ditches and more, or get the precision cut you demand. Get into tighter areas that were previously inaccessible with larger, more cumbersome machines. Three deck types are available: 44" and 54" brush decks, 61" all-terrain deck, 66" finish deck.

PLOW

The Altoz 50" 7-way V-Blade and 50" Straight Blade feature responsive hydraulic controls that are easily adjusted from the operator station. Both blades offer incredible versatility, making easy work of snow removal and landscaping.

SWITCH IT UP

Multi-functional, multi-seasonal, all-terrain.

MULTI-TASKING

Maximize productivity and efficiency with a versatile line of attachments.

HANDLING

Hydrostatic transmissions responsive handling.

TRACKS

9" wide tracks

ADJUSTABLE AXLE WIDTH

42" (can be extended to 52")

ENGINE

29.5 hp Kawasaki® FX 852cc EFI

THE ALL-NEW ALTOZ SWITCH

The Altoz Switch delivers the stability and mobility that only tracks can provide. Paired with the versatility and functionality of a broad range of easily interchangeable attachments, the Switch is engineered for multiple tasks and terrain in any season. Designed for landscape and snow removal professionals, city utility departments and government entities, the Switch's compact chassis and the ability to operate in restrictive spaces make efficient work of a multitude of tasks.
