OUTDOOR
POWER
EQUIPMENT

The optional TRX 766 Deck
Wing Extension provides 16"
of additional cutting reach.

THE POWER OF ALTOZ
INNOVATION 

Get on an Altoz.

Altoz innovation waits for no one and that's why we're always ahead. Our machines keep revolutionizing the industry, making your day safer, more productive and more comfortable. When you use an Altoz mower, you'll do more and go further.

Looking for a flawless, commercial-grade result? Or the power and ability to operate where other equipment can't? Look no further than Altoz. Our wheeled mowers deliver a precise, professional cut. Our expertly engineered tracked mowers give you the ability to conquer the most technical terrains like slopes, lowlands and hills with unmatched operator comfort and style.

See what's possible when you get on an **Altoz.**

TRX SERIES

HIGH TRACTION - SUPERIOR CONTROL

When you find yourself
in the **ROUGH**

TRX 766 i

The **TRX 766 SERIES** offers the ultimate workhorse for the toughest, most challenging terrain and environments.

POWERFUL ENGINE ▼

The TRX 766 i features a powerful and efficient Kawasaki FX 38.5 hp EFI engine to maximize overall performance, fuel economy and provide reliable starting.

Adjustable
12-way seat

◀ ROLL-OVER PROTECTION SYSTEM

Our roll-over protection system can be easily folded down to avoid low hanging limbs.

▼ 12-WAY ADJUSTABLE SEAT

Combined with our suspension system, the 12-way adjustable high-back suspension seat with arm rests delivers the industry's smoothest ride.

◀ DUAL FUEL TANKS

Two 7-gallon gas tanks mean fewer stops for refueling.

▼ BUILT FOR SPEED

Hydro-Gear ZT 5400 high/low transmission

TerraFlex™
Tracks shown

▲ TERRAFLEX™ TRACKS WITH TORSION AXLE REAR SUSPENSION

Available for TRX 766 models, TerraFlex commercial-grade tracks are made for customers who cut in demanding conditions. The tread pattern and steel-cased, vulcanized rubber tracks are designed for durability and flexibility. These tracks, combined with the torsion axle rear suspension, are engineered for traction, stability and a smooth ride in challenging conditions.

▲ FLAT-FREE FRONT TIRES

Power through the harshest conditions, even rough terrain and sharp debris, with flat-free tires and rear-mounted track system.

TOUGH TRACKS TREAD LIGHTLY

The patented TRX rear torsion axle track system delivers maximum traction for stability and low ground pressure for minimal compaction. 10" wide TerraFlex tracks are ideal for customers who cut in demanding conditions. The 11" wide All-Terrain tracks are ideal for side hilling, soft terrain and rough areas other mowers can't reach. Optional Turf Tracks are less aggressive and perfect for soft ground, rolling hills and sensitive terrain.

▼ TRX COUNTER ROTATION RIGHT DECK SPINDLE

Accessory provides even grass dispersement using less horsepower and better fuel economy.

▼ TRX DECK WING EXTENSION

Perfect for under fence lines, shore lines, ditch banks, water retention ponds, solar fields and anywhere you need to get under or over. Ditch the string trimmers and reduce man hours, gain 25% more coverage than a 66" deck.

Shown in transport position

EXCLUSIVE DECK OPTIONS

Equipped with Altoz's exclusive 66" All-Terrain Deck for rough cutting or 66" Finish Cut Aero Deck cutting system with adjustable baffles for a professional finish cut.

◀ 66" ALL-TERRAIN DECK

The All-Terrain Deck is constructed of industry-exclusive 7-gauge laminated steel with six swing blades and a sloped back rear discharge that can process a high volume of material and allows for a closer cut underneath and around immobile objects. Our proprietary pivoting blades are forged and heat-treated for exceptional, long-lasting sharpness.

◀ 66" FINISH CUT AERO DECK™

Exclusive Finish Cut Aero Deck is .270" fabricated steel and features fully adjustable baffles, enabling you to customize your cut to various grass conditions.

**SEE OUR
FULL LINE OF
TRX MODELS**

Not all features are available on all models.
Check the specifications table or ask your dealer for details.

TORQFLEX™ SUSPENSION ▶

The TRX's TorqFlex™ front suspension and rear torsional axle suspension work together to bridge uneven terrain, delivering stability, a smooth ride and reduced operator fatigue.

TRX 561 i

The **TRX 561 i** is an ideal solution for multi-acre homeowners, ranchers, golf courses, schools and lawn care professionals.

TRACK OPTIONS ▼

All-Terrain Tracks are ideal for side hilling, soft terrain and rough areas other mowers can't reach. Optional Turf Tracks are less aggressive and perfect for soft ground, rolling hills and sensitive terrain.

Adjustable
12-way seat

SMARTRAC/PRO

The **SmarTrac™ Pro** control features a solid-state PTO switch, patented SoftStart clutch control that decreases mechanical wear and significantly increases deck belt life, a keyless push-to-start ignition, a large multifunction LCD screen and 6 ultra-bright status LEDs.

▼ DUAL FUEL TANKS

Two 7-gallon gas tanks mean fewer stops for refueling.

▼ TORQFLEX™ SUSPENSION

TorqFlex front suspension delivers stability, a smooth ride and reduced operator fatigue.

DECK OPTIONS ▲

Equipped with Altoz's exclusive 61" Finish Cut Aero Deck with adjustable baffles or All-Terrain Deck for rough cutting.

FLAT-FREE FRONT TIRES ▲

Power through the harshest conditions, even rough terrain and sharp debris, with flat-free tires and rear-mounted track system.

The exclusive Aero Deck is .270" fabricated steel and features fully adjustable baffles, enabling you to customize your cut to various grass conditions.

Kawasaki™ 4-stroke engines are available in 29.5 hp (TRX 561 i) and 24 hp (TRX 354).

With its standard Turf Tracks, the **TRX 354** is ideal for multi-acre homeowners, outdoorsmen & farmers.

TRX 354

TURF TRACKS TREAD LIGHTLY ▼

The patented TRX rear torsion axle track system delivers maximum traction for stability and low ground pressure for minimal compaction.

Shown with Turf Tracks

Combined with our rear torsion axle suspension system, the 12-way adjustable high-back suspension seat with arm rests delivers the industry's smoothest ride.

▲ TRACK OPTIONS

Standard Turf Tracks are less aggressive and perfect for soft ground, rolling hills and sensitive terrain. Optional All-terrain Tracks are ideal for side hilling, soft terrain and rough areas other mowers can't reach.

▲ FINISH CUT AERO DECK™

Equipped with Altoz's exclusive 54" Finish Cut Aero Deck with adjustable baffles.

Tapered heavy duty caster bearings with a 1-1/4" shaft, combined with a 3/8" thick steel front wheel fork ensure lasting performance in demanding environments.

The Altoz Independent Front Suspension (IFS) smooths out rough terrain for superb comfort and control. Available as an accessory on TRX 354 models.

THE SWITCH™

COMPACT TRACKED TOOL CARRIER

MULTI-FUNCTIONAL MULTI-SEASONAL. ▾

SWITCH™

Whatever the task, Altoz Switch attachments connect quickly and easily.

DROP, SWAP & GO

The Altoz Switch delivers the stability and mobility of tracks and pairs it with the versatility and functionality of a broad range of interchangeable attachments. The Switch is fully capable of handling multiple tasks and terrain in any season.

▶ MULTI-TASKING

Maximize productivity and efficiency with a versatile line of attachments.

▶ SPEED

Hydrostatic transmissions with speeds up to 7 mph

▶ TRACKS

9" wide tracks

▶ ADJUSTABLE AXLE WIDTH

42" or 52"

▶ ENGINE

34.5 hp Kawasaki® FX820V EVO EFI

44" MATERIAL BUCKET ▲

The compact design ensures maneuverability in narrow spaces without sacrificing power or capacity, making it ideal for landscaping, construction and property maintenance projects.

SEE OUR FULL LINE OF SWITCH ATTACHMENTS & SPECS

Switch Accessories

44" MATERIAL PUSHER ▶

Engineered for durability and ease of use, it's the go-to solution for a wide range of tasks, making your job easier and more efficient.

◀ SNOW BLOWER

Quickly and efficiently clear snow from sidewalks, driveways or anywhere else. 44" width, 2-stage, belt driven. Hydraulically-adjustable chute rotation and electrically-adjustable chute angle.

36" PALLET FORKS ▶

A versatile attachment with the ability to move a wide range of materials and goods on construction sites, in warehouses, farms and landscaping projects easily and efficiently with 360-degree visibility.

STRAIGHT BLADE ▶

Handle snowbound walkways and light aggregate in tight areas with ease. 50" blade width, 44" width angled. Hydraulic adjustment for angle, float feature. Cutting edge features adjustable trip tension.

◀ POWER ANGLE BROOM

Ideal for year-round cleaning of parking lots and sidewalks, or for lawn dethatching or leaf removal. 48" straight width, 44" angled. Angle left, right or straight with the touch of a button.

◀ 44" & 61" ALL-TERRAIN DECK

Power through rough terrain, tackle slopes, traverse roadsides and reclaim overgrown areas. 44" or 61" cutting width, 2 or 3-spindle counter rotating design, six swing blades forged and heat-treated for durability.

SPRAY TANK & BOOM SPRAYS ▼

Choose a 4' wide spray pattern brine boom or an 8' wide spray pattern chemical boom—or both—to suit your needs. 25-gallon tank.

◀ DROP SPREADER

Make quick work of sidewalks and pathways, with precise coverage drop from 30" to 36" spread width. Pair with Snow Blower, V-Plow, Straight Blade or Power Angle Broom to complete two tasks at once.

TSX SERIES

TRACKED STAND-ON MOWERS

The world's first
TRACKED
stand-on mower

TSX 561 i

The **TSX 561 i**, takes on difficult terrain jobs others can't mow safely by combining the fast maneuverability of a stand-on mower with the unmatched steep terrain mowing capabilities of the Altoz track system.

TOUGH TRACKS TREAD LIGHTLY

All-Terrain Tracks are ideal for side hilling, low lands and rough areas other mowers can't reach. Optional Turf Tracks are less aggressive and perfect for soft ground, rolling hills and sensitive terrain. The patented rear torsion axle track system delivers maximum traction for stability and low ground pressure for minimal compaction.

WET AREAS

More control for mowing around water features, ditches and low areas.

SLOPES

Mow slopes safely with high traction and minimal compaction.

TALL GRASS & UNRULY TERRAIN

Reclaim your property and tame even the harshest terrain.

TRACK BENEFITS ►

The TSX's tough tracks bridge over uneven terrain and provide a smooth, comfortable ride on rough ground.

TRACKED MOWERS

WHEELED MOWERS

POWERFUL ENGINE

29.5 hp Kawasaki FX 852cc EFI engine with integrated electronic throttle control powers through tough mowing conditions. EFI fuel management adjusts power to load, keeping blade tip speed constant and ground speed steady.

RESPONSIVE, SMOOTH TRANSMISSION

High-performance commercial Hydro-Gear® PR 16cc pumps and Parker® TF 195cc wheel motors deliver quick response to the rear Altoz track system and smooth control for cutting speeds up to 10 mph.

SMARTRAC/PRO

The SmarTrac™ Pro control features a solid-state PTO switch, patented SoftStart clutch control that decreases mechanical wear and significantly increases deck belt life, a keyless push-to-start ignition, a large multifunction LCD screen and 6 ultra-bright status LEDs.

EXCLUSIVE DECK OPTIONS

Equipped with Altoz's exclusive 61" HV All-Terrain Deck for rough cutting or 61" Finish Cut Aero Deck cutting system with adjustable baffles for a professional finish cut.

61" HV ALL-TERRAIN DECK ▶

The HV All-Terrain Deck is offset and constructed of industry-exclusive 7-gauge laminated steel with six swing blades and a sloped back rear discharge that can process a high volume of material and allows for a closer cut underneath and around immobile objects. Our proprietary pivoting blades are forged and heat-treated for fixed obstacles and exceptional long-lasting sharpness.

61" FINISH CUT AERO DECK™ ▶

Exclusive Finish Cut Aero Deck is .315" fabricated steel and features fully adjustable baffles, enabling you to customize your cut to various grass conditions.

Not all features are available on all models.
Check the specifications table or ask your dealer for details.

SMOOTH RIDE ▶

The TSX's TorqFlex™ front suspension and rear torsional axle suspension work together to bridge uneven terrain, delivering stability, and a smooth ride. Additionally, an adjustable coil spring over shock suspension operator platform provides operator comfort.

XCC SERIES

WHEELED MOWERS

With a 35 hp Kawasaki FX engine, the powerful, high-performing **XC Series** delivers a precision cut you can be proud of.

◀ RIDER COMFORT

4-Point Engine Isolation System (EIS) isolates and absorbs engine vibrations for greater rider comfort. 6-Point Vibration Isolation System (VIS) isolates the rider from ground vibrations. 12-way adjustable high-back suspension seat with arm rests and TorqFlex™ suspension work together to deliver the industry's smoothest ride.

Adjustable
12-way seat

◀ POWER DECK LIFT

Conveniently located steering lever mounted control allows for quick and easy deck height adjustments without having to take your hand off the steering lever.

◀ DUAL FUEL TANKS

14-gallon capacity for extended cutting times.

SmarTrac™

Monitoring System features a tachometer and resettable hour meter, maintenance reminders with alerts for low oil pressure and overheating.

▲ TORQFLEX™ SUSPENSION

TorqFlex front suspension delivers stability, a smooth ride and reduced operator fatigue.

▲ FINISH CUT AERO DECK™

Our exclusive Aero Deck is .316" fabricated steel and features recessed anti-scalp wheels and fully adjustable baffles for a professional-grade cut every time. Available in 61" and 72" deck sizes.

The TorqFlex™ suspension system glides over tough terrain and isolates chassis and rider from ground chatter for greater rider comfort.

With dual-range Hydro-Gear® 5400 high/low transmissions and a top transport speed of 19 mph, the Altoz XC series can get the job done...fast.
