OUTDOOR POWER EQUIPMENT ►

THE POWER OF ALTOZ *INNOVATION* ►

A large solar panel array is visible in the background, stretching across the middle of the frame. In the foreground, a yellow tractor is partially visible, working in a field of tall green grass and wildflowers. The sky is clear and blue.

GET ON AN ALTOZ.

Altoz innovation waits for no one and that's why we're always ahead. Our machines keep revolutionizing the industry, making your day safer, more productive and more comfortable. When you use Altoz equipment, you'll do more and go further.

Altoz continues its ongoing pursuit of perfection as we evolve and innovate to meet the needs of a changing marketplace.

Our new high-visibility color scheme adds an extra level of safety and awareness when working near busy public areas and road right-of-ways where being seen is critical. With the introduction of the all new TFX 766 i, XC SSi and XP 610 SSi we're not just adding a new color scheme, we're providing new levels of safety.

**We invite you to get on an Altoz
and find out just how far it can take you.**

HIGH TRACTION & LOW GROUND PRESSURE

TRACKED SERIES ▶

Commercial contractors, municipalities and multi-acre homeowners know that sometimes, getting to the grass is half the challenge. Altoz tracked zero-turn mowers safely give you access to the places other mowers will never get to. Slopes, wet areas and challenging terrain are all in a day's work. Our tracked mowers revolutionized the industry, and they're the perfect solution for municipalities, commercial lawn care professionals and multi-acre homeowners.

TRACK BENEFITS

The tough TerraFlex® tracks bridge over uneven terrain and provide a smooth and comfortable ride.

WET AREAS

More control for mowing around water features, ditches and low areas.

SLOPES

Mow slopes safely with high traction and minimal compaction.

TALL GRASS & UNRULY TERRAIN

Reclaim property and tame even the harshest terrain.

TFX 766 i ▶

The **TFX 766 i** is designed to cut in the most demanding conditions. Its compact body style enables the TFX to navigate obstacles and cut closer. Its hi-vis color and rugged design make it the perfect choice when performance and safety matter most.
